Light and ambiance is not only for indoors, by combining light and architecture, outdoor settings also remains vibrant at night. With different light effects and unique shape, CITRO has been designed for every aspect of the urban architecture: any form, any material or any composition. Frax not only cares about the perfect light effect, it takes care about the passer-by as well. Small brushed brass element on the body enriches design effect of this splendid floodlight. The CITRO collection comes in 2 series: SMD and COB for choice.
